

CELINA APU

FULL-STACK DEVELOPER

PROFILE

A highly motivated and self-driven Software Developer with hands-on experience in building responsive, user-friendly web applications. Proficient in HTML, CSS, JavaScript, React, TypeScript, Tailwind CSS, Next.js, Node.js, Redux, Express.js, Nest.js and MongoDB, with a passion for clean, maintainable code and problem-solving. Demonstrated ability to learn quickly, work in a team-oriented environment, and deliver high-quality solutions within tight deadlines. Additionally, experienced in teaching and research, showcasing strong communication skills and attention to detail. Always eager to learn new technologies and stay current with industry trends.

WORK EXPERIENCE

- SOFTWARE DEVELOPER** JAN 2024 - PRESENT
 - Developed and deployed web applications using HTML, CSS, JavaScript, React, TypeScript, Tailwind CSS, Next.js, Node.js, Redux, Express.js, Nest.js and MongoDB, creating scalable and responsive solutions.
 - Designed and implemented optimized data models with Mongoose for MongoDB, ensuring performance, scalability, and security across devices.
 - Utilized Git for version control and continuously updated skills to stay aligned with industry trends and best practices.
- DATA ENTRY** AUG. 2024 - DEC. 2024
 - Accurately input and maintained large volumes of data, ensuring precision and confidentiality.
 - Utilized Excel and other tools to organize, clean, and verify data for accuracy.
 - Streamlined data entry processes to improve workflow efficiency and reduce errors.
- ENGLISH TUTOR** FEB.2022 - JAN 2023
 - Taught English to French-speaking students, focusing on grammar, pronunciation, vocabulary, and conversational skills, while creating customized lesson plans and engaging materials to meet their learning needs.
 - Monitored progress, provided constructive feedback, and helped students build confidence, improving their proficiency in speaking, listening, reading, and writing.
- RESEARCHER** JUN.2023 - JAN 2024
 - Conducted in-depth research on various subjects and professions, gathering and analyzing data to produce reports, and assisted in designing research methodologies such as surveys and interviews.
 - Compiled and presented findings to senior researchers, maintaining organized records and databases, while collaborating in a team to present complex information clearly.
